DECLARED FALSE START: An athlete may withdraw from a heat by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

The exception is during specific warm-up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to monitor them at all times during warm-up sessions.

STARTS: "Fly-over" starts will be used at this meet. All swimmers (except for Backstroke starts) should remain in the water at the completion of their race until the next heat has begun.
