SWIMS DATABASE

Times from the following will be in SWIMS, the national times database.

- USA Swimming Sanctioned competition.
- USA Swimming Approved competition - Check two weeks before the competition to assure the meet has been approved by the LSC, and prior to the start of the competition, ask the Meet Director for the procedure for getting a time into SWIMS.
- USA Swimming Observed swims - Be sure a proper request for an Observed Swim is made according to guidelines appearing in the USA Swimming SWIMS Time Module Policy Manual, and prior to the start of the meet, verify that proper procedures are in place for the Observed swim.
- The time of any swimmer recorded while legally representing a USA Swimming club, secondary school, college, or university within the appropriate time frame, may be used in proving relay entry times. That swimmer does need to be entered in the championship in question or currently representing that club. Relay times belong to the team. Individual times belong to the swimmer.

Times submitted to the USA Swimming SWIMS database no later than 20 days prior to the Championships will be in the database. If a time for a swimmer is visible in the public search feature on the USA Swimming website (Times/Time Standards) and it was swum in the appropriate qualifying period, it is considered a proven official time. Entry times not proven by the scratch deadline for the event will be considered as false or incorrect times and are subject to action under provisions of the USA Swimming Rules and Regulations.

SWIMS data entry from meets in which time standards were met must be requested from the SWIMS Time Official in the LSC in which the meet was held. LSC officials may charge a fee for data entry requested after the meet ends. These times will not be automatically placed in the database. Times from all major international championships will be automatically entered in the database. Relay lead offs and/or intermediate split times must be requested from the SWIMS Time official in the LSC where the time was achieved. Requesting SWIMS data entry will not enter a swimmer into a competition nor place a club on the USA Swimming mailing list.

RESPONSIBILITY CLAUSE

The coach, swimmer or swimmer representative who enters a Middle Atlantic Swimming Championship thereby attests that all times stated are true and correct as achieved qualifying times for

each event entered. He/she assumes all responsibility for false or incorrect times, or times which are unacceptable under USA Swimming rules, and shall be assessed a \$100 penalty, payable to Middle Atlantic Swimming, for each such time entered, unless absolved of the fine by Middle Atlantic Swimming or Administrative Review Board. Additional action or penalty may be taken or levied as deemed appropriate by Middle Atlantic Swimming. Such a penalty shall also be levied against any USA Swimming verification officer who knowingly entered such a false time(s) into the SWIMS Database. Appeal of fines must be made to the Meet Referee or designee and/or Board of Review. SCRATCH PROCEDURES & PENALTIES

This competition will follow the scratch rules as defined in section 207.11.6 of the USA Swimming Rules and Regulations.

Preliminary Events: 207.11.6 C, 207.11.6 E 1 & 3

"In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched in accordance with sub-paragraphs A and B above will be barred from all further individual and relay events of that day. The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events."

Finals Events: 207.11.6 D (1) & 207.11.6 E 1, 2 & 3

"Any swimmer qualifying for a bonus, consolation or championship final in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet, except as noted in paragraph E. A declared false start under 101.1.3E or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as a failure to compete."

Fines: A \$50 fine will be imposed on any swimmer who qualifies for Finals and fails to swim that event on the final day of the meet (or the final day for that particular swimmer) – unless that swimmer has appropriately scratched from the event or was originally listed as an Alternate (or lower) in the event. This fine also applies to the top eight (8) swimmers in the 1500 Freestyle event listed on the pre-meet psych sheet that positively check-in for that event and then do not compete.

Scratches must be submitted to the site's Administrative Referee prior to the scratch deadlines.
